RESPIRATORY ACCESSORIES

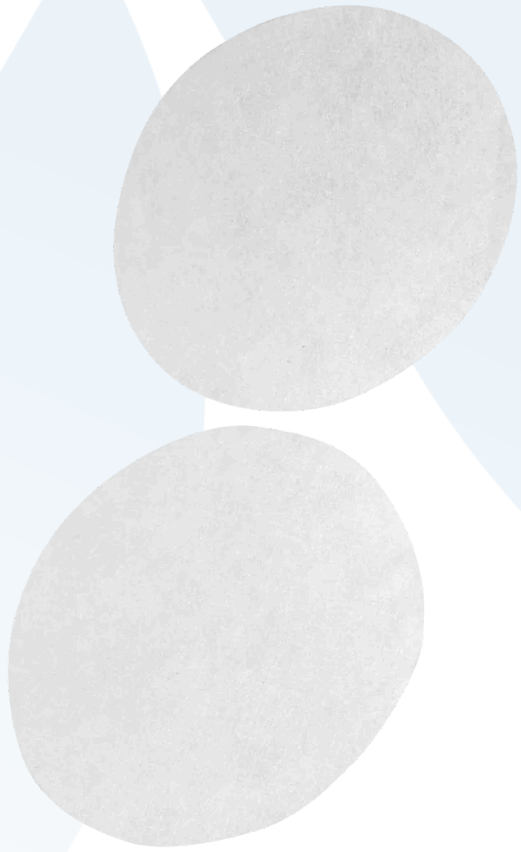

Sentinel PAPR Pre-filter

Designed to extend the service life of the main filter

The Sentinel PAPR Pre-Filter is designed for use in dusty or high-particulate environments- capturing larger airborne particles and contaminants before they reach the primary filtration stage. The pre-filter is lightweight, easy to replace, and suitable for use in a wide range of industrial and maintenance applications.

Features

- Traps larger particles to protect and extend main filter life
- Maintains consistent airflow and system performance
- Easy-to-replace design
- Compatible with Sentinel PAPR systems

Certifications

CAT III

CE

Suitable industries & applications

Industries

- Chemicals
- Construction
- Healthcare
- Manufacturing
- Maritime

Applications

- Demolition
- Disease and Infection Control
- Multi Purpose
- Vessel Construction and Maintenance
- Woodwork and Fabrication
